*Luggage volume is based on standard baggage dimensions of 31 cm x 52 cm x 75 cm and a standard weight of 23 kg per item. These numbers are for comparison but not limiting. It is advisable to combine several smaller bags with regular sizes to optimize cargo loading.

*These numbers are for reference only and based on maximum range calculations.

The actual range of an aircraft depends on actual weather conditions, aircraft configuration, loading, routing, and other typical flight variables.
